LASINDU RANASINGHE

BACKEND DEVELOPER

PROFILE

I'm a software engineering undergrad who is interested in both front-end and back-end development. I only recently began learning to program, and I really enjoy it. I have completed my A-levels and am pursuing my higher education at General Sir John Kotelawala Defense University.

HOBBIES

Learning new programming languages
Watching movies
Listening to music
discovering the newest technologies available

EDUCATION

St. Joseph Vaz College
2013 - 2020
High-achieving student with outstanding academic performance, earning 9 A grades in Ordinary Level exams and achieving a district rank of 240 in Advanced Level exams in Puttalam district.

General Sir John Kotelawala Defense University
2022 - present
BSC (Hons) in Software Engineering

PROJECTS

Web application
Developed a web application using Java, Spring, and MySQL to manage employee records for a mock company as part of a team project in Software Engineering course.

Smart Health Monitoring System
With the help of an Arduino board, an Arduino cloud, and an IOT platform, we have developed a smart health monitoring system. And in 2023, we will be able to present it in the EXIBITIVO.

Personal website
Created a personal website using HTML, CSS, and JavaScript to showcase my skills and projects.

SKILLS

Skill	Level
Java	60
C++	30%
HTML	70%
